

Auto Upkeep Academy

Login Instructions for Users without Email Addresses

Step 1: Go to <https://academy.autoupkeep.com/wp-login.php>

Step 2: You do not have an active email associated with your account, so enter the Username assigned to you.

Step 3: Click "Continue".

Step 4: You cannot use the "Magic Link" login method since you don't have an active email. Click "Login with username and password".

Step 5: Enter the Password assigned to you. If you are on your own personal device, check the "Remember Me" box.

Step 6: Click "Log in".
